ORAL ORDER

(5th December 2005)

The following order of the Court was passed by S. R. Nayak, C.J.

This appeal is preferred by the injured seeking more compensation. It was contended by learned counsel for the appellant that since the appellant has sustained 20% of the permanent disability on knee the Tribunal ought to have awarded compensation under the said head reasonable compensation towards 'future loss of income' and for 'loss of amenities of life'. The fact remains that the appellant has not examined the doctor who treated him. In other words there is absolutely no evidence to support the claim of the appellant that he sustained 20% permanent disability on the knee. We have perused the record. The Tribunal has awarded permissible compensation under all relevant heads, such as, pain and suffering, medical expenses, traveling expenses etc. No ground is made out for our interference. The appeal is therefore dismissed.
